SPACES FOR A BETTER TOMORROW

WPC WALL CLADDING

OUTDOOR FEATURE CLADDING

MODERN LOOKS.
LASTING PERFORMANCE.
BEAUTIFUL SPACES.

10 YEAR
LIMITED PRODUCT WARRANTY

WEATHER RESISTANT | MOISTURE RESISTANT | ANTI-CORROSION | STAIN RESISTANT | LOW MAINTENANCE | EASY TO INSTALL | ECO-FRIENDLY

A refined exterior finish

Sterlin WPC outdoor wall cladding adds architectural rhythm and timber-inspired texture to feature walls, boundary walls and selected exterior surfaces. Its ribbed profile creates shadow and depth while offering a low-maintenance alternative to traditional timber.

PROFILE

219 mm x 26 mm

AVAILABLE LENGTHS

2.0 / 2.4 / 2.9 / 3.6 m

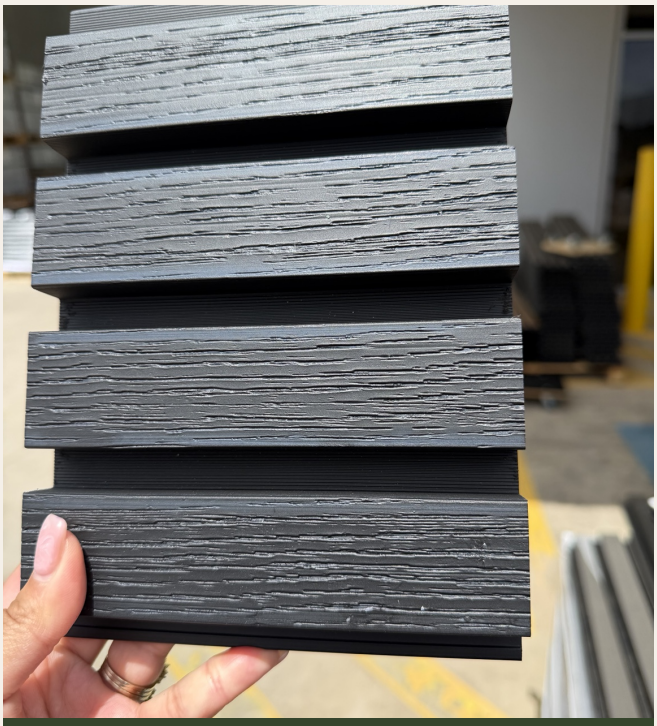

DESIGN BENEFITS

Textured wood-look surface | Distinctive vertical lines | Exterior feature applications | Easy routine cleaning | Colour options for light and dark schemes

Appearance and suitability depend on site conditions and correct installation.

Colour & material story

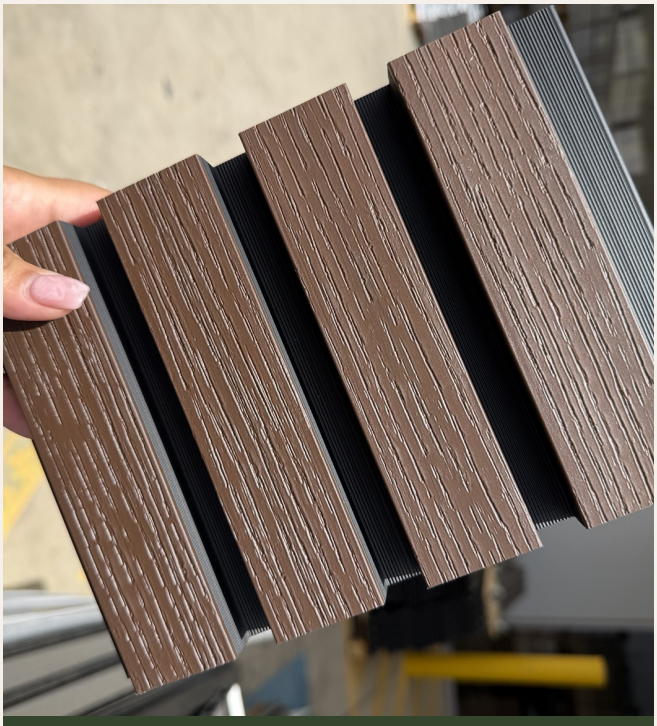

Explore a palette that complements both modern and natural finishes.

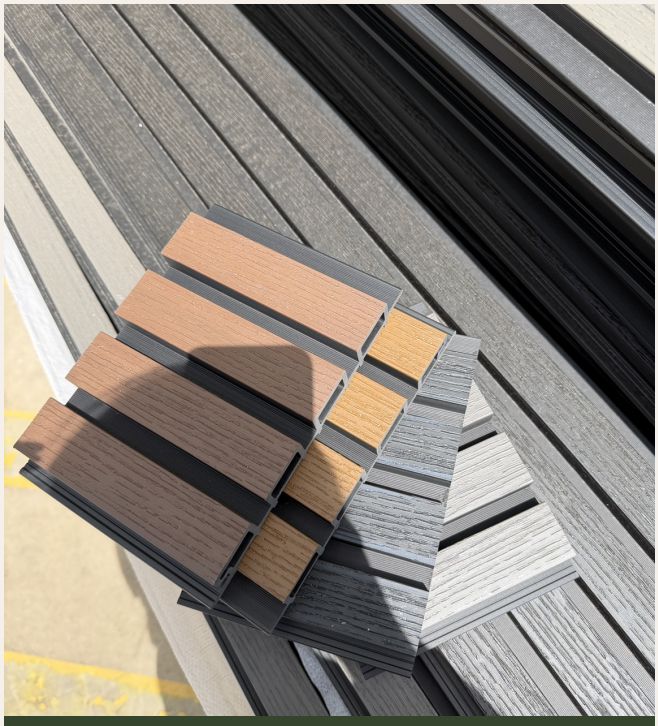

GREY

CHARCOAL

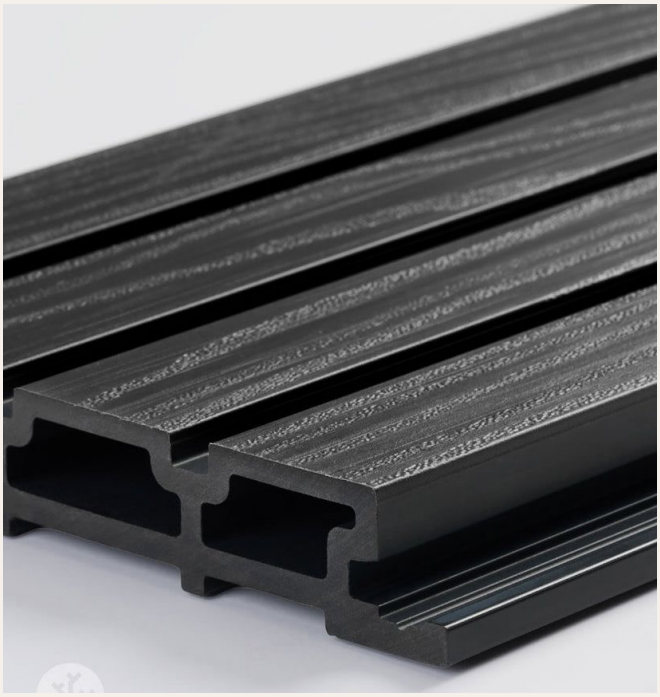

TEAK

REDWOOD

Additional colour and length availability may vary by stock.

Built for the detail

HOLLOW PROFILE

APPLICATION IN CONTEXT

Installation essentials

01 / PREPARE Confirm the substrate is sound, dry and suitable for fixing. Plan drainage, ventilation and expansion allowances.

02 / SUPPORT Install an appropriate level subframe. The supplied reference guide illustrates horizontal supports at 350 mm centres.

03 / FIX Use compatible clips, fixings and trims; align panels and follow the applicable installation instructions.

04 / FINISH Cut panels to suit, finish exposed edges and corners, and clean with mild detergent and a soft cloth.

Important: Confirm fixing spacing, clearances, fire compliance and substrate suitability with the installer and applicable local requirements before installation.

Technical reference

Supplier catalogue figures; not independent Sterlin test certification.

Panel profile	**219 mm wide x 26 mm thick**
Sample length tested	**2,900 mm**
Reported weight	**14.655 kg/m2**
Reported density	**1,290 kg/m3**
Reported moisture content	**0.16%**
Reported linear expansion	**40.1 x 10^-6 K^-1**
Reported water absorption (28 days)	**1.04%**
Reported boiling test	**0.64%**
Reported flexural mean load	**3,570 N**
Reported mean flexural deflection	**1.08 mm**
Reported abrasion weight loss	**37.3 mg**
Reported ramp slip rating	**R10 (12 degrees)**

Values above reproduce selected results from the supplied product reference and may apply only to the tested configuration. Request current product specifications and test reports before relying on performance figures for a project.

10-year limited warranty

WPC OUTDOOR WALL CLADDING

1 WARRANTY TERM

Sterlin Pty Ltd offers a limited 10-year product warranty beginning on the original purchase date, subject to the terms below.

2 COVERED DEFECTS

The warranty applies to manufacturing defects that materially affect intended function under normal exterior use, provided the product has been properly stored, installed and maintained.

3 ELIGIBILITY

The original purchaser must supply proof of purchase. Installation must follow suitable practices, with appropriate fixings, support, trims and allowances for movement.

4 EXCLUSIONS

Not covered: ordinary weathering or colour change; minor batch or texture variation; incorrect installation; substrate or structural movement; misuse, impact, scratches or wear; fire, heat, storms, flooding or other external events; stains, harsh chemicals, unsuitable pressure washing, mould arising from site conditions, unauthorised alterations or coatings.

5 COSTS

Labour, removal, reinstatement, access, scaffolding, freight and consequential costs are excluded unless required by law.

Claims, care & your rights

6 HOW TO CLAIM

Contact Sterlin as soon as reasonably possible after identifying a concern. Provide your name, contact details, purchase evidence, purchase date, installation address, clear photographs and a description. Additional information or an inspection may be requested.

7 ASSESSMENT & REMEDY

If a covered manufacturing defect is confirmed, Sterlin may, subject to applicable law, repair, replace with the same or reasonably equivalent product, or provide another appropriate remedy. Identical colour or profile availability cannot be guaranteed.

8 COLOUR VARIATION

Different batches and natural weathering can lead to visual differences. A replacement may not exactly match previously installed cladding.

9 ROUTINE CARE

Clean with water, mild detergent and a soft cloth or brush. Remove spills promptly and avoid aggressive solvents and abrasive cleaning methods.

10 AUSTRALIAN CONSUMER LAW

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have goods repaired or replaced if they fail to be of acceptable quality and the failure does not amount to a major failure. This warranty does not limit your statutory rights.
